Comments/Questions/Input

- Will the new assessment process replace the IDD application process? No
- Are there states where CFC has been implemented and is working well already? Yes, WA, MT
- Like the training component of 1915 K for individuals to hire, train and fire PCAs?
- Will the assessment be required on annual basis? Yes
- What are quality measures for programs and will PCA program have quality measures in future? Yes
- Will the new tool make the IDD waiver assessment process less subjective?
- Transportation in Fairbanks area is very frustrating and problematic. Fewer taxi cab companies are taking on transportation and it's hard to find.
- Will village based counselors be Community health aides?
- Payment for live-in caregivers, parents of CCMC child, what are we going to do to help address situations where a parent would like to stay home and care for the CCMC child but can't afford it?
- If an IDD child's parent wants to get them on a waiver in the future, do they need to go through the Limited support waiver process and the IDD waiver process?
- Will the tool be InterRAI?
- What is the expected wait time to be drawn off the DRRR in the future?
- Need to explain all of this to parents in a very simple way
